Snowmass 2022

We had a great time, snow was fabulous!

Winter driving preparations is very important for staying safe in cold weather emergencies.

Items to put into your winter driving safety kit

1. **Sturdy ice scraper and snow brush.** This is one of the most crucial things to keep in your car during winter. Put an ice scraper and snow brush in your car as soon as the cold weather hits.
2. **Shovel.** Buy a small or collapsible shovel to keep in your trunk. It will be useful if your car is stuck in snow or if you have to clear a path to drive.
3. **Gloves and other winter clothing.** You have the snow brush and shovel, but now you need to actually use them. Wearing gloves and other warm clothing will make the task of clearing your car easier. Always be ready to bundle up to prevent frostbite! You'll do a better job of clearing your car when you're warm.
4. **Blanket.** If you get stranded or get into a crash, it'll get cold fast, especially if your car won't turn on. You can't always rely on your car's heater, so keep warm with a blanket.
5. **Emergency flares or reflectors.** Snow storms reduce visibility whether it's daytime or nighttime. Reflectors will help other cars and emergency vehicles see you if you are stopped on the side of the road.
6. **Rock salt, sand, or kitty litter.** These coarse materials will help your tires gain traction if your vehicle is stuck in the snow.
7. **First aid kit.** A first aid kit is crucial if someone is injured in a car crash. Although it's essential year-round, this is one of the most important things to keep in your car during winter because emergency vehicle response time may be slow if it's snowing.
8. **Extra windshield washer fluid.** Make sure your windshield washer fluid has antifreeze components to prevent it from freezing. Clearing your windshield with fluid will improve visibility in a winter storm.
9. **Flashlight.** It gets dark early in the winter. If you stall or get stranded at night, use the flashlight to find out what's wrong. It can also make you more visible to others on the road.
10. **Rope or chain.** A tow chain is a great tool to get your car out of snow.
11. **Small tool kit.** You can fix minor vehicle problems with basic tools.
12. **Cell phone charger.** Try to keep your phone charged before hitting the road, but always keep a cell phone charger in your car as well.
13. **Water and non-perishable snacks.** If you get stranded, you may have to wait for assistance. The wait could be long if road conditions are bad. Storing water and snacks in

*These are all essential things to keep in your car during winter, but before you even hit the road, make sure you have gas and good wiper blades. Always keep a half-full tank of gas in your car during winter months and check that your wiper blades are in working order. You may also want to look into getting snow tires.

Dec 2 – Dec 13, 2023 departure. Everyone wanting to do this cruise in 2023 will want our departure date. The earlier date is before Thanksgiving and the later date is probably too late for many travelers especially groups, so we expect this date to sell out...

Below are instructions so you can pre-reserve for 2023.

Maybe it's the sight of medieval landscapes glittering with colorful lights, or the familiar, heartwarming melodies of "Silent Night" and "O Christmas Tree" sung in their original German. Or maybe it's the excitement of the traditional *Christkindlmarkt* (Christmas market), brimming with handmade toys and ornaments, and filled with the delicious aromas of freshly baked cookies and warm mulled wine. For many, visiting the Christmas markets along the Rhine River is simply the most satisfying way to experience the holidays. This festive Grand Circle River Cruise is a wonderful gift to yourself that will remain a treasured holiday memory for years to come.

Here's how you can pre-register for this cruise:

- Call **Grand Circle Cruise Lines** Reservations (1-800-221-2610)
- Mention you'd like to pre-reserve for *Christmas Markets Along the Rhine (2023)* with the **Castro Valley Ski Club**.
- Mention Group Code **G3-25848**
- Deposit is \$500 per person: This deposit is 100% refundable until prices are finalized.**

100% Refundable Deposit: Deposits are fully refundable until a pre-reservation is confirmed to a live reservation on the departure date that the group has selected.

Risk-Free Booking Policy Extended, when you book a NEW 2022 or 2023 reservation of ANY Grand Circle trip by **3/30/22**, you can transfer to another departure date for any reason—**up until 24 hours prior to your original departure**—and we will **waive any change fees**.

Grand Circle Reservations is open 6 days/week.
Hours: Monday-Friday: 6am to 4pm PT
Saturday: 6am to 2pm PT

We will monitor all pre-registrations and will be sending out more info on final pricing & air as soon as we get it, probably not until the end of Feb. 2022

We hope you'll be joining us on another fantastic trip!
