## President's Message

Happy spring everyone. Snow has ended as far as we know, can't be sure of anything always surprises but weather has been beautiful.

Well, we are slowly returning to a normal life step by step, hope you all are doing well.

Early snow pass sales are going on so our resorts are gearing up for next season and the summer months as well.. stay tuned as we hear more.

I know some of you have been travelling locally, Mendocino, Napa, and others off to Hawaii and Mexico. Wherever your travels take you enjoy and be safe.

We will let you know as things open up if we are

Claudia Fernandes  
President

able to get together come summer..

Russia trip has been postponed to next year but Italy appears to be a go. Kathy and Tucker will keep us posted on all our travel plans.

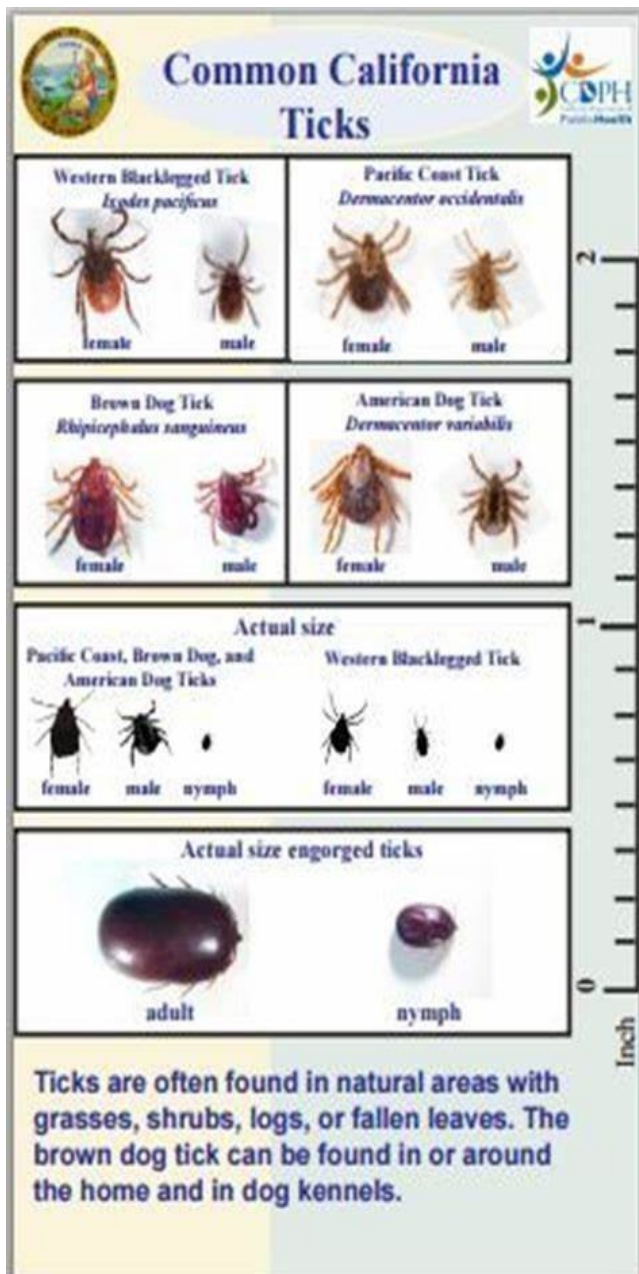

I wish you all a wonderful month of May as we venture out slowly and are able to visit more and live life.

Be safe, and take care. We will let you know as we plan our new adventures and get together.

Best wishes always,

Claudia

# Keep Ticks Off You

## Repel

- Use bug repellents with at least **20% DEET** on all exposed skin.
- Follow directions and reapply as needed.
- Parents should apply this product to their children, avoiding hands, eyes, and mouth.

- Avoid logs and areas with high grass or fallen leaves
- Walk in the center of trails

- Wear long sleeves and pants when possible.
- Treat clothes and shoes with **permethrin** that kills ticks. This remains protective through several washings. Pre-treated clothing is available and may be protective longer.

## Remove

If you find a tick crawling on you, brush it off.  
If you find a tick attached to your skin, remove it quickly.

- Use fine-tipped tweezers to grasp the tick as close to the skin's surface as possible.
- Pull upward with steady, even pressure. Don't twist or jerk the tick.
- After removing the tick, clean the bite area and wash your hands with soap and water.

- Ways to dispose of a live tick:
  - Flush it down the toilet, or
  - Submerge it in alcohol, or
  - Place it in a sealed bag/container
- Never crush a tick with your fingers

## Shower

- Bathe and shower within two hours or as soon as possible after leaving an area with ticks to wash off ticks and to find them more easily.
- Do a full body check using a mirror to view all parts of your body. Ticks are usually found:
  - Under arms
  - In and around the ears
  - Inside the belly button
  - Behind the knees
  - Between the legs
  - On the scalp
- Parents should check their children for ticks.

- Tumble unwashed clothes in the dryer on high heat for 10 minutes to kill remaining ticks.
- Examine gear and pets. Ticks can hitchhike into homes.
