Last month's issue had a page for the club's "Happy Hour".... of which I failed to give credit to the person who took the photos & sent them to me — it was Steve James — THANK YOU SO MUCH, Steve!!!!!!

## President's Message

**Well, Summer is fast approaching.** However, you can't tell it from the weather, but time will tell. Still quite a bit of snow and cold, but the heat will be here soon and we will be wishing for cool. Oh, we are never satisfied.

**The Rhine River cruise was wonderful,** the fun, the food, the friends, another fantastic experience and we continue to learn and see so many amazing things, places and people. **Many thanks again to Tucker and Kathy for continuing to find us new adventures** and putting these trips together for our members!! **Please send any pictures from the trip to both Ray and Dennie for our skizette and website.**

Claudia Fernandes  
President

**Again, this month we WILL NOT have a general meeting as we are having our End of Season Banquet on June 26 at the Sequoyah Country Club.** We all had so much fun last year at the end of season we decided to have this event here one more time.!!! **We hope you can make it.....!! Please contact Pat Green if you wish to attend,** we subsidize this event for our members so your cost is minimal -- we want to give back to you.....--

**The FWSA convention in Indian Wells, June 13-16,** is fast approaching. We have some spots still available for delegates. Please let me know ASAP if you wish to be a delegate. As I mentioned before you need to **register on line** as soon as possible. Always a fun time is had by all at the FWSA convention.....Go to the **FWSA website** for more information on the convention and the optional events going on.

We have more fun coming up, stay tuned as Pat and others find more fun events for our members. Thank you, Pat, for providing us with such good times with friends.

We will be having some summer BBQ meetings at Lake Chabot again and will keep you posted as to our upcoming locations....

Happy Spring and Summer. Whatever you do be safe and enjoy!!!

**Claudia**

## Zika Virus

### How Zika spreads

- Zika can be transmitted through Mosquito bites, from a pregnant woman to her fetus

Many people will not have symptoms or will only have mild symptoms. The most common Zika symptoms: Fever, Rash, Joint pain, conjunctivitis (red eyes). Other symptoms include muscle pain and headache.

Symptoms can last for several days to a week. People usually don't get sick enough to go to the hospital, and they very rarely die of Zika. Once a person has been infected with Zika, they are likely to be protected from future infections.

### How to prevent Zika

There is no vaccine to prevent Zika. The best way to prevent diseases spread by mosquitoes is to protect yourself and your family from mosquito bites. Here's how:

#### Clothing

- Wear long-sleeved shirts and long pants.
- Treat your clothing and gear with permethrin or buy pre-treated items.

#### Insect repellent

- Use [Environmental Protection Agency \(EPA\)-registered insect repellents](#) with one of the following active ingredients: DEET, picaridin, IR3535, or oil of lemon eucalyptus or para-menthane-diol. Always follow the product label instructions.
- When used as directed, these insect repellents are proven safe and effective even for pregnant and breastfeeding women.
- Do not use insect repellents on babies younger than 2 months old.
- Do not use products containing oil of lemon eucalyptus or para-menthane-diol on children younger than 3 years old.

### How Zika is diagnosed

- Diagnosis of Zika is based on a person's recent travel history, symptoms, and test results.
- A blood or urine test can confirm a Zika infection.
- Symptoms of Zika are similar to other illnesses spread through mosquito bites, like dengue and chikungunya.
- Your doctor or other healthcare provider may order tests to look for several types of infections
