President's Message

Greetings everyone,

It is truly summer now, and I miss skiing!! Every year at this time I have to face the terrible fact that I will not be skiing any time soon. I do miss skiing, but I do not have to miss the people I love to ski with - because we have lots of fun events planned for these long, warm, snowless months ahead. We can't always jump in a plane and fly off to Argentina, as we did last August, and ski in the southern hemisphere, so this seems like very good compensation for not being able to ski.

The July general meeting will be a fun Bar-B-Que meeting at a great park by Ron White's (our new Vice President) house. The summer BBQ meetings are always fun, and lots of members who don't regularly attend meetings can make it to these meetings - so it's a good opportunity to catch up with old and new friends in a casual and festive venue. So, I hope to see you there on July 21.

On July 17, Dan and Pat Green will be hosting a Hawaiian Luau at their home in Pleasanton that promises to be a lot of fun. Parties at the Green's house are always fun, and another good chance to hang out with all your Castro Valley Ski Club friends. (I have often heard some really good skiing stories at these summer events.)

In August we have two more fun events planned - well, maybe these warm summer months are o.k. after all. No skiing, but lots of fun times with good friends. So, I won't cry in my margarita, I will just come to all of the Club summer events and drink one with all my friends!

Have a wonderful, fun and friend-filled summer!

Karen

Karen Wehrman
President

From our V.P.

The July meeting, Wednesday the 21st, will be at our place in Livermore. General maps to the area should be elsewhere in this Skizette. The 21 homes around Almond Circle comprise the HOA. The central area behind the houses on the inside of the circle contains a gated swim pool with bathhouse and pool furniture, many picnic tables, food prep areas with sink and electricity, several charcoal cookers, plus there are tennis courts and a large grassy play area outside the pool fence.

An entrance to the area is just across from our house, and will be marked. There is plenty of street parking all around the circle, but Almond Avenue across from the School may be busy. No resident can monopolize the area, we merely enter the guest events on a calendar to help avoid crowding. Others may be swimming while we are there, for example. But usually large conflicts are avoided.

We hope everybody comes; well, not all 185, but a goodly turnout as we have had before in summer events. See you there!

Ron
