## President's Message

Happy fall everyone - we are still having hot weather and smoke at times, but we persevere...hope everyone is well and finding new projects and fun to fill your time..

We have been sharing ideas the ways others in our club have been spending their time. You will see some more in this issue..hope you enjoy hearing about them..

Claudia Fernandes  
President

I also heard from FWSA asking us to again support a young skier who is up and coming, since we had no convention this year FWSA has less money coming in for these scholarships and they ask us to help. She is 17, from Hillsborough, 4.0 gpa, skis for Northstar, ranked in the top 10 in her class in Far West division of USSA, 1 podium, and 2 top 10 finishes last year.

Next month would be our auction to raise funds for our charities, scholarships, and the club. Let me know if you would like us to support her through a scholarship? At [C.fernandes08@icloud.com](mailto:C.fernandes08@icloud.com)

## **What members are doing during Covid lockdown**

Jan and I, due to COVID-19 issues in the family, are acting as our grand daughter Kelsie's teacher's aid as she participates in third grade Distance Learning from Hawaii. Not sure if this is helping or hindering our sanity but it definitely is keeping us occupied.

It should be noted that we are not in Hawaii, but are here in California. The Distance Learning is from Hawaii, where Kelsie would be in school were it not for COVID-19.

-- Steve Tadevich

I've been keeping busy. Trying out new recipes with my friends as guinea pigs. Also sewing quilts for my friends. Need to let those creative juices flow!

-- Linda Melliush

Ha,ha,ha! I've spent the cost of a European vacation on a computer game called Fishdom, making gorgeous aquariums and playing fun and challenging games. I can focus on it for hours as time marches on in lockdown!

-- Valerie Caveglia

I got my ASA 101 Sailing Certification and have been sailing (masks, etc. of course)  
Joined Purebarre Burlingame's 30 classes in 60 days challenge using ZOOM livestream classes and videos at home. These are killer workouts so have to mute and disable my video when i'm doing them so they don't see me whimpering about midway through.  
Been doing a lot of ZOOM sessions - behind the scenes at the Monterey Bay Aquarium, various meetings of various clubs, happy hours, etc.  
Did a bunch of DVD and online classes and seminars.  
Before the smoke, did a lot of solo hiking and biking.  
Trying unsuccessfully to de-clutter the house and spruce up the yard.  
Emailing and talking on the phone and Facetime (NOT Facebook!) more with friends and family.  
And, best of all, been hanging out with my new Granddaughter!

-- Cathy Wilson

Phyllis and I did something very interesting earlier this month. The week of Sept. 7 - 10 we attended a 4 day firearms training course at the Front Sight Firearms Training facility in Nevada, north of Las Vegas. I had not fired a hand gun in over thirty years and Phyllis had never fired before. After that course we are more proficient in the firing and safe handling of hand guns. Phyllis was thrilled by what she accomplished and learned, and I was surprised how much I learned and what we did at our ages. The course was intensive and our instructors were very helpful and hands on when needed.

After that we spent the weekend in Las Vegas at the Bellagio resort. A great week we had.
