# Castro Valley Ski Club Newsletter

## President's Message

Hello fellow members of Castro Valley Ski Club,

O.K., it is time to get REALLY SERIOUS!! We need snow, and we need it now!! Please put on your thinking caps and **THINK SNOW!!** With many of us having purchased out Epic Passes this year, there will be disappointment across the land if we don't have a darn good season.

Karen Wehrman  
President

For everyone who attended the annual auction this year, you know what a fun and lively time it was. There was a plethora of great items, and there will be much fun this coming year in fulfilling those auctioned items. Many, many thanks to everyone who generously donated great things and many, many thanks to everyone who came, checkbook in hand, and made the event a fun and profitable one. Funds were raised in the amount of \$2,800, and we owe it all to the very dedicated committee who worked so hard to make it a success. Thank you to the Chairwoman, Eva Lanphear - our personable and affable auctioneer, Tucker Hoffmann - and to Diana Gartland for keeping a record of sales and generally keeping everyone on track. Dave Silva, thank you, too for keeping record and in general helping out where help was needed. What a great team - and what a fun event. And remember that in supporting the auction you are also supporting Disabled Sports USA, as a portion of the proceeds go to that very worthy cause - including the Wounded Warrior Program.

It seems to me that we always have lots of fun when we all get together, regardless of what we're doing, but you have an opportunity to start your Christmas holiday season off with great cheer at our annual CVSC Christmas party. Pat Green has organized a very merry banquet at Crow Canyon Country Club on Wednesday, December 4 - so don your party apparel and join in - Christmas ties worn by many men last year was great!! We'll have some piano music, a very elegant dinner, some bubbly and lots of fun. I dare you not to get into the Christmas spirit!!

I hope everyone had a wonderful Thanksgiving - having much to be grateful for, and I hope one of those blessings that you count is your membership and participation in Castro Valley Ski Club - I know I do!

All the best to you and to those you love,

Karen

**THINK SNOW - THINK SNOW - THINK SNOW -  
THINK SNOW**

(subliminal message?)

## A Word from our VP

If you're reading this promptly after arrival, you should be reminded to take off to the Christmas Party *real soon* now. The food and drinks are good, the subsidy is good, and the companionship is *excellent*. I'll be there.

Ron White  
Vice President

Well, they're promising some snow this week, but don't hold your breath. If it comes, it may actually stay this time, given the colder temperatures. My hiking group in Truckee is still hoofing it, no snowshoeing yet. But Northstar should be making plenty in the colder temps. I'm planning to go up in a few days to see how things are.

Are you thinking about Open League class racing this year? See Keith's page in this issue. The cost is modest, and you may be impelled to improve your technique. I've raced, both board and skis, until this year, and met lots of interesting people. I was challenged, and learned a lot, especially not to hit gates. Alas, I need to respect the limitations of my new knees. No more racing for me, but *you* can do it.

Ron

## A DAY AT THE RACES.....

Keith Wilson  
Race Director

Racers,

Weather is coming in and the snow is already falling. Some of the ski resorts have already been open. Will this be like the 2010-2011 winter when we had too much snow?

**Well, that would be fine! Bring it on!**

So, what does this have to do with Open League, racing. The first race weekend is at **Alpine Meadows, then Squaw Valley January 4<sup>th</sup> and 5<sup>th</sup>**. The rest of January is open except for MLK Weekend, Jan 18-20<sup>th</sup>, then the **Castro Valley/Far West, Ski Trip, starting Jan 25<sup>th</sup>**. There will be **more races on this trip** for those that want to compete.

Be ready, February races could sneak up on you **February 8<sup>th</sup> and 9<sup>th</sup> at Northstar**.

Check out the new Open League Race Committee website at (<https://www.olrc.org>). It is updated, and is a great source of league information.

Racing is fun. Anyone can participate. There are three age groups for men and women, and 10 experience levels in each age group. Classes 1-5 are advanced. Classes 6-10 are intermediates. Three race courses are set up for each race: advanced, intermediate, and low intermediate. There is a beginner course, too. If you are thinking about racing, come up for one of the race weekends. For \$20 you can race. If you like it, the \$20 goes against your sign-up fee. If interested, talk to me for more information.

Websites of interest: [www.olrc.org](http://www.olrc.org). For resort info: [www.skialpine.com](http://www.skialpine.com), [www.squawvalley.com](http://www.squawvalley.com), and [www.skinorthstar.com](http://www.skinorthstar.com). Check out the road conditions at 1-800-427-7623 (Caltrans).

## **Safety Tips for a Wonderful Holiday Season**

### **Holiday Lighting**

- Holiday decorations, whenever possible, should be made with flame-resistant, flame-retardant and non-combustible materials.
- Keep candles away from decorations and other flammable materials.
- Carefully inspect new and previously used light strings. Replace damaged items before plugging lights in.
- When decorating outdoors, check labels on lights to be sure they have been certified for outdoor use.
- Make sure all the bulbs light up and that there are no frayed wires, broken sockets or loose connections.
- Plug all outdoor electric decorations into circuits with ground-fault circuit interrupters to avoid potential shocks.
- Turn off all lights when you go to bed or leave the house.

### **Decorations**

- Use non-combustible and flame-resistant materials to trim a tree. Choose tinsel and artificial icicles of plastic and non-leaded metals.
- Never use lighted candles on a tree. Place candles where they will not be knocked over.
- In homes with small children, take special care to avoid decorations that are sharp and, and keep trimmings with small removable parts out of the reach of children.
- Avoid trimmings that resemble candy and food that may tempt a young child to put them in his mouth.

### **Trees**

- When purchasing an artificial tree, look for the label "fire-resistant."
- When purchasing a live tree, check for freshness. A fresh tree is green, needles are hard to pull from branches, and when bent between your fingers, needles do not break.
- Cut a few inches off the trunk of your tree to expose the fresh wood. This allows for better water absorption and will help to keep your tree from drying out and becoming a fire hazard.
- Be sure to keep the stand filled with water, because heated rooms can dry live trees out rapidly.
- Make sure the base is steady so the tree won't tip over easily.

### **Fireplaces**

- Before lighting any fire, remove all greens, boughs, papers and other decorations from fireplace area. Check to see that the flue is open.
- Do not burn wrapping papers in the fireplace. A flash fire may result as wrappings ignite suddenly and burn intensely.

### **Children and Pets**

- Poinsettias are known to be poisonous to humans and animals, so keep them well out of reach, or avoid having them.
- Avoid using tinsel. It can fall on the floor and a curious child or pet may eat it. This can cause anything from mild distress to death.
- Inspect wrapped gifts for small decorations, such as candy canes, gingerbread men, and mistletoe berries, all of which are choking hazards.

### **Security**

- Use your home burglar alarm system.
- If you plan to travel for the holidays, don't discuss your plans with strangers.
- Have a trusted friend or neighbor to keep an eye on your home.
