The day we call Thanksgiving has come and gone as we now head for Christmas and the passing of the year 2007. It's almost history. Looking back I realize that we have so much to give thanks for every day of our lives, not just one day a year. To begin with, I am thankful for those of you I have come to know through the extraordinary group of local, active members of CVSC, the ones who make things happen, contribute time and effort, share their thoughtful ideas and implement new events and social opportunities. Greetings also to those of you who live beyond the Castro Valley area and cannot be with us on a regular basis.

I am thankful for Walt Johnson who held the reins of the club since I joined years ago. He taught us all a lesson with sincere caring for each of us with his easy going style and a passion for leading the group he was serving. Whoa! This is sounding too much like an obituary. Not so! Walt is still my leadership coach by his example and frequent conversations when I'm searching for thoughts and ideas about how to run this show. As a rookie president I have appreciated his encouragement and his help very much.

As we prepare for a new year there is much to look forward to. Of course the old cheer "Let it snow, Let it snow" hangs heavily as one of our strongest desires and along with that wonderful sport of ours, the yearly club events, social activities, both old and new. Our membership is a creative bunch, uniquely coming up with super new ideas for weekend gatherings, outings, day trips, you name it. And of course the traditional annual activities we anticipate with the coming of the new year.

I am eager to see your cheerful faces at our Holiday Dinner Meeting on December 5th at Sequoyah Country Club for the always joyful festivities. We will be raffling off some unique items along with Sandy Beecher's wonderful selection of Napa wines. That alone could be worth the price of the ticket to this event. If you haven't gotten yours yet, get on the phone with **Pat Green** in a hurry.

Merry Christmas to all and to all a good white year...snow, that is!

Get out there and make this and every day a great one for yourself and send a smile to others.

Ralph

We have again leased the cabin in the Tahoe Donner area near Truckee that Castro Valley Ski Club, and previously the Parallelers Ski Club, have leased for the past 25 years. Our lease period is shortened this year because the owner wants to spend more time there. We will occupy the cabin from Dec.1 to March 9, with an option to use it for one to two weeks after the owner leaves in early April (during or after the first week of April). We will take this latter option if the spring skiing looks good. Since the season at the cabin is shortened, we are giving a rebate on the cabin membership fee by offering credit on nightly use fees of \$30 for single members and \$40 for families. Check out the cabin layout, photographs, costs, and application forms by going to the club website (cvskiclub.org) or attend a club meeting. It's a good deal on lodging, as well as a great place to socialize with other club members after a day of skiing!

Lloyd Chase
Cabin Manager

A REMINDER ...

Last chance to renew your membership.

If you don't, you will:

- **No longer get the SkiZette**
- **No longer go on any ski trips sponsored by BAC or the Club**
- **Not be eligible for discount lift tickets**
- **Not be eligible to use the Sitzmark Cabin**

Join the Castro Valley Ski Club Cabin for a good deal on lodging !

We again plan to lease a cabin in Tahoe-Donner area for the upcoming ski season. . The lease will run from approximately December 1, 2007 through April 15, 2008. Membership Fees and nightly use fees will remain the same as last year. In order to keep the nightly fee as low as possible, we need to increase cabin

membership and usage, and we will strive to do this in the coming years. Last year our membership was far below the maximum allowed to avoid crowding and reservation problems. You can help us increase membership by introducing friends and acquaintances to the cabin. We have found that this is the most effective way to build up membership.

The cabin has 7 sleeping areas comprised of 5 private rooms, 2 group rooms, along with six bathrooms. Total sleeping capacity is approximately 30 persons. There is also an outdoor hot tub. We will not sell more than 45 season memberships so the cabin does not become overbooked. Please keep in mind that even with our limited membership, weekends are sometimes booked 3-5 weeks in advance, so you must plan ahead and make your reservations early. Holidays are especially popular.

We currently plan to open the cabin the weekend of December 1. Those wishing to help us prepare the cabin for the season can stay at the cabin free of charge Dec. 1,2. This offer is open to anyone, even if you haven't joined the cabin membership. It's a great way to see the cabin if you haven't decided to join and want to learn more. We are tentatively planning a group dinner on the evening of Saturday, December 1, pending final resolution of the cabin lease dates.

As in past years, the cabin owners will be occupying the cabin for a two-week period, and this year that will be at or near the end of March. Cabin members are not allowed to use the cabin during this period. The exact dates for the owner's use of the cabin have not yet been determined, but we should know by the end of October.

We would like to encourage you to use the cabin on weekdays (and on non-race weekends). The cabin gets very little use on these days and of course, the ski areas are not very crowded. If you get a case of ski fever during the week I'm sure we can find a room or rooms for you in the cabin.

We will have a television with cable access, along with VCR and DVD players and a computer with broadband internet connection with Wi-Fi for your use. As in past years, we expect everyone using the cabin to clean up after themselves (including the stove and ovens) and leave the cabin in the same condition (or better) than they found it.

This year Lloyd Chase will be managing the cabin business, finances and facilities issues. The reservations manager position is presently vacant and will be announced at a later date.

We look forward to helping you enjoy another great year of skiing.

Lodging Rates:

The following are per-person per-night rates and are the same for both the group areas and private rooms. These fees are in addition to the annual cabin membership fees:

Rates:

Weekends (Fri. & Sat. nights) & Holidays

\$20 per member per night

\$35 per guest per night

Weekdays (non-Holidays)

\$15 per member per night

\$25 per guest per night

There is no charge for children less than five years of age and a \$5 nightly fee for children between the ages of 6 and 12.

There is no guarantee of a separate bed for children under 5 years of age.

General guidelines for reserving and using the cabin

If you have a paid reservation at the cabin, and you cannot go, please let the reservations manager know as soon as possible. While we cannot give you a refund, under certain conditions (see the 2007/2008 Cabin Rules) we may be able to give you a credit for future cabin use.

If you have not paid for your reservation, do not go to the cabin. Your reservation will have been canceled and possibly given to someone else.

Membership

To join the cabin, you must join the Castro Valley Ski Club and you will need the complete cabin application package which contains the detailed rules for use of the cabin. Be sure to read them. New cabin members can obtain the complete package by attending a club meeting, by contacting the cabin business manager (see contact info below), or from the club website, cvsc.org., by clicking on "join the cabin now". Cabin members from last year will have the package mailed to them automatically. After you read the attached rules, fill out the application and sign the statement. Also, if you wish, fill out the reservation form on the back of the application to request your first reservation. We've included a layout of the cabin with room and bed designations. We will have a current listing of room reservations at the cabin and at club meetings on a regular basis.

One final note. The main reason the club leases a cabin for the winter is to provide a maximum number of members an inexpensive and pleasant place to stay while skiing in the north Tahoe area. Staying at the cabin is a "group" experience with all the advantages and disadvantages this encompasses.

This is an opportunity that you can offer to members who have joined to get into skiing or who have children who are ready to ski. It's also a good recruitment tool for prospective members. This is the same weekend as our Sierra Council holiday party (Sat., Dec. 8), and our first scheduled race, snow permitting. So, you can offer the discounts below as part of a weekend of events.
